25<sup>th</sup> November 2024

I have been in England this week, so many thanks to Svetlana for running the competitions for me. I flew back in time for the Monthly Medal sponsored by VinoMarket and a surprise presentation by our president Stephen to George & Jenny Lamb.

The Lamb family have been an integral part of the San Roque Club with their support to the staff and to Charities over the years. The club have made George & Jenny Honorary Members. Also, the Mixed Foursomes competition has been renamed George & Jenny Lamb Mixed Foursomes. They play 9 holes most mornings at 8.00 and are an example to all of us that 'you just got to keep moving'. Fantastic idea.
