

LADY CAPTAIN'S WEEKLY NEWS

18th November 2024

This week started with all calm from the weather gods, although sadly it did not last. Freak cyclones on Wednesday and Thursday brought more rain and flooding to Malaga and weather alerts everywhere. The weathermen and the government are now ultra cautious, understandably following Valencia. We managed golf on Tuesday, but it was a complete washout on Thursday. Fortunately, we missed most of the storms at The San Roque Club.

On Thursday, instead of a coffee morning, I thought it would be fun to play bridge in the Eddie Polland Room. We had two tables. It went well but I'm not sure if I am the best teacher !!! We will try again in the New Year, if the demand is there and I haven't scared everyone off. Noelle – thanks for your help.

Bridge in the Eddie Polland Room everyone concentrating hard .

WEEKEND COMPETITIONS

LADIES vs MEN

I have been getting very excited about this match as the men have beaten us the past couple of years. On paper, the ladies were a strong team and on the day it proved so. All the matches were played in a friendly but competitive spirit. Seeing the men's tees so far back did make me laugh. Promise I had no idea.

The LADIES were victorious with a win of 18.5 to 14.5

WINNING TEAM ;

Liz D & Joanna, Tammy & Linda, Svetlana & Yolanda, Debbie & Mandy H, Nicky & Amanda S, Helen S & Maxi, Malene & Yvonne, Janine & Tina, Tanya & Ksenia, Noelle & Judith, Agi & Pascale.
