

LADY CAPTAIN'S WEEKLY NEWS

2nd December 2024

That was a busy week, including two interclubs, plus the usual weekly competitions and the Members weekend competition. I managed to capture the above photo of Los Reales, the Estepona Mountain whilst out playing the course. We really do have some spectacular views from our course.

The numbers have gone down a bit with members returning to England or elsewhere for Christmas, although on Saturday we had 63 for our AM AM. Our best wishes go to Chris Harris for a speedy recovery after a nasty fall by the practice area. He is home safe and sound now with 5 stitches in his head and some nasty bruising. Get better soon Chris.

On a happier note, it was Andy Stanford's 60th on Saturday. We all sang happy birthday on the Terrace – CONGRATULATIONS ANDY

INTERCLUB COMPETITIONS Wednesday 27th November Home match vs VILLA PADIERNA

We were hoping for a better result unfortunately, on the day Villa Padierna were stronger – they brought their A Team who were amazing around our greens. The final result was 15.5 for 8.5 in favour of Villa Padierna. We had a delicious lunch so thank you to Mirko and his team.
