3<sup>rd</sup> March 2025

**Thank you, Svetlana for looking after all the ladies whilst I was away. There seems to be a gradual trickle of members coming back from various places.**

**The weather was kind to us golfers until Friday when the long-predicted rain arrived in abundance – thank goodness we moved Andalusia Day to Thursday. As a result, all competitions were cancelled over the weekend. Cancelling events is always a tough decision, but not hard this time. Some members did manage to play on Saturday afternoon. You will see from the photos below that the course took another battering. Borja and his team are being kept very busy.**
