

LADY CAPTAIN'S WEEKLY NEWS

21st April 2025

They think it's all over It is NOW. I can't thank you Ladies enough for your incredibly generous gift. You really have spoilt me rotten. Hopefully, I can get my handicap down with my new clubs. The voucher for La Reserva Beach Club was an added surprise and when the sun eventually comes out, you will find me lounging around there!!!!

thank you

We are all so lucky to have Svetlana & Jules taking over. I think we saw from Saturday night what a force they are going to be.

Thanks to the generosity of the San Roque Members, we raised 5,095 euros for our two charities Cancer Research & Centro Contigo.
