

LADY CAPTAIN'S WEEKLY NEWS

31st March 2025

March has flown by with record amounts of rain. We were all relieved to see blue skies over the weekend. We are now into my favourite time in Spain – not too hot and with Easter late we should have a dry drive in for our new Captains – Michael and Svetlana.

The Match-play draw took place in the Clubhouse on Sunday after the Abbeygate Ranking. I would like to compliment Joachim for his computer skills – all very slick and professional.

The lists for the draw will be sent out shortly.

Svetlana and Jules working hard with draw.
