

LADY CAPTAIN'S WEEKLY NEWS

7th April 2025

The club is still relatively quiet as Easter this year is very late. The majority of members should be here in the next couple of weeks.

The club organised a gastronomic evening on Thursday, which proved very popular in the Eddie Pollard room. Mirko prepared a spring tasting seafood menu which we all enjoyed. Coincidentally, it was Jon Hales birthday, so the celebrations went on well into the night.

Rumour has it that Gary, myself and Eddie Pollard will be teeing off on the putting green for the inauguration of the San Roque Masters on Friday morning – a bit of a déjà vu after my drive-in – hopefully, this time no rain. Stephen hopes to make this an annual event with the Captains being involved. Gosh here I go again!!!

WEEKEND COMPETITIONS SEVE TROPHY 2025 6th April

Final Score - CAPTAINS TEAM 15 vs RANKING TEAM 9

For the first time in at least 5 years, I am so proud to announce that the Captains **WON** back the Seve Trophy. We had a fabulous day playing 27 holes, I think it took around 7 hours! We then sat down to a delicious meal courtesy of the club. Some lovely speeches were made by Gary and Frank – very happy Lady Captain.

Put your names down for the Abbeygate Ranking, there is always a chance you might qualify for this great annual event. IT IS FUN!!!
